Ladybug & Cat Noir
Reversible Superhero Mask

Reversible Mask Supplies:

Red Felt
Black Felt
Double Sided Fusible Interfacing
Iron
Mask Pattern
Scissors
Awl or Knitting Needle
1/4 Inch Black Elastic

Reversible Mask Instructions*

1. Sandwich fusible interfacing between the layers of felt and iron according to package instructions
2. Trace the mask pattern on the red side
3. Use the black paint and a paint brush to add spots to the red side where indicated
4. After the paint dries cut out the mask
5. Poke a small hole near the ends of the mask
6. Thread elastic through, secure with a knot
